## WHOLESALE LIST

FEBRUARY 1st, 1953

Wholesale shipping will be in 2-1/4" CLAY POTS. Orders must be in units of 25, sorry but we cannot ship in between amounts as our boxes are made to hold 25 plants. If you order varieties not on our list we will take the privilege to substitute. We reserve the right to limit the quantity of any variety. We fill orders according to stock we have at time of your order, so please give substitutes, you prefer. Prices subject to change without notice. We are sorry but we cannot ship an order at WHOLESALE PRICES by parcel post, because of the method used in packing and the advance in parcel post rates.

Our responsibility the same as other growers ends when your order is shipped. Please if any claim for damage notify your express Company right away and take it up with them.

Shipped Express Collect. Location of Greenhouse, route 93  
North of Youngstown which is about 20 miles from Pennsylvania  
Turnpike.

Sorry but all of our plants are not in bloom this season of  
the year. We are discontinuing many of the older varieties  
to grow quantity stock of many good new ones which will be  
ready late spring and summer.

Varieties listed above should make good blooming plants for  
spring sales.

Please take your own WEATHER CONITION and EXPRESS SERVICE into  
consideration when ordering. We only ship when we think weather  
permits and will give you as goos service as possible.

Please allow time when ordering, if possible try to pick order  
up at Greenhouse in cold weather.
